At Tuesday's Meeting... Michael Warring, Restaurateur

Michael Warring

While at the Culinary Institute of America in Hyde Park, New York, Michael Warring learned to appreciate a traditional yet contemporary cuisine. His passion for quality has afforded him opportunities in some of the country's top kitchens. His tenure at Napa Valley's Auberge du Soleil and Bouchon in Beverly Hills offered him unique opportunities to be part of the day-to-day operations and experience first hand the creation and execution of an emotional experience.

Michael said his goal is to take foods that are familiar and present them in a new and different way, and many of his meals are prepared with use of CO² and Nitrogen. Nitrogen will make things crunchy, and CO² makes them a bit fizzy. To demonstrate, club members were treated to berries and ice cream prepared using this technique.

The restaurant website (<http://www.michaelwarring.com/#pages/michael>) says there will be summer closure July 13— July 17. The restaurant is open Wed— Sunday and menus are posted daily by 1:30 p.m. You can reserve a table by calling 707.655.4808 (no email reservations).

Club news

A full house for Eric's last meeting. Alex will hold his first meeting on July 12 (no meeting July 5). The marble game was down to three marbles. Eric pulled the winning green marble, and donated all the proceeds back to the Foundation. The Hunger Games ended with three winners being pulled from the party cap: Bill Warren, Darrell Doi, and Jon Dwyer plus spouse or guest now have the opportunity to party with Eric and Jill.
