

Rotary Club of Benicia

Service Above Self

November 1, 2016

This is your highness speaking! Today, we had a good meeting, but no speaker. So I thought it would be great to have members share their stories. I asked them to share who invited them to Rotary, and what did they like best about Rotary. It is always great when members share their own experiences. We didn't even have time to hear from everyone, so we will do that at a later date. But bottom line, most people indicated that they enjoyed being with fellow Rotarians because of like values, giving back to the community, and the fun and fellowship we enjoy with one another.

THE BRIT IS
HERE!

Look Who Was Happy Today!

Bill Warren was happy because it was a beautiful day! He donated a turkey dinner!

Jack Bell was happy because he celebrated his anniversary. He donated a turkey dinner!

John Blunt was happy because he took third place in a **BLACK JACK** tournament in Las Vegas! He donated \$105!

Eric Hogle was happy because his son's baseball season ended. He donated \$20.

Jim Lessenger donated \$60 for a turkey dinner. We're not sure if he was happy.

Reg Page was happy because he celebrated the 8th month anniversary of his grandson. He donated a whopping \$8.

Eric Hogle donated an additional \$4 since Reg talked so long.

Jim Trimble was happy because harvest is over and he won't have to work pouring wine for a while. But he is also sad because his daughter turned 50. He donated a turkey dinner for his happiness/sadness.

Jon Dwyer was happy because he will be in Santa Barbara for Governor Nominee Training. He's planning on shopping some during the training. He donated \$80.

Darrell Doi was happy because the last U-19 soccer tournament was over - his son's last game. He donated \$10 for a turkey leg!

Tom Gavin and **Mario Giuliani** and **Jim Trimble** were fined \$1 each by the Sergeant at arms, Susan Hurl, as she felt shunned since they didn't sit at her table when they came in.

The question is.....Is this the truth?
