Message from District Governor Karl Diekman, Rotary District 5150

To the Rotary Clubs of District 5160:

Many of our clubs are asking how they can help support our fellow Rotarians in Pakistan respond to the devastating floods in their country. After consultation with the District Strategic Planning Committee I have decided that there is greater efficiency if clubs sent their donations to one of two sources, District 3272 or The Rotary Foundation.

I did talk today to my counterpart in District 3272, District Governor Shehzad Ahmed and verified that they had the ability to receive and administer funds. You can read and see how to donate directly to District 3272's relief effort at the following website:

<http://www.rotarydistrict3272.org/district-3272-flood-relief-efforts>

Rotary International has also established a relief effort and more information about it can be found at:

http://www.rotary.org/en/ServiceAndFellowship/ProjectResources/Announcements/Pages/100818_announce_pakistandfloodfund.aspx

We are all too aware of the terrible destruction and instability a disaster as massive as the current flooding can cause. The financial support you give can bring hope and stability to people who are in such desperate need.

Please give generously.

Karl Diekman, Rotary District 5160, Governor 2010-2011

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
