Our Speaker Today

Hays Englehart, from the Lamorinda Sunrise Rotary Club, spoke to us about his club's project – helping senior citizens with minor home repairs that they are no longer able to do on their own, due to safety or physical limitations. The three items that the Rotary Club members use most often to complete these home repairs are WD40, hammers, and duct tape. They also often fix leaky toilets, replace batteries in smoke alarms, and repair screen doors – all simple FIX-IT items. Most of the Rotarians in his club are able to use donated tools and supplies, plus their club has been able to purchase needed items at cost from their local Ace Hardware store. In five years since this club

started this project, they have helped over 1000 seniors. Their club has Work Days six times per year. This is a great “feel good” program for any Rotary Club, and it is very inexpensive to implement. – about \$500/year. This simple project has been adopted by other Rotary Clubs, too. A template is provided, including the literature which any club can take and modify and print for distribution or utilization on their website. For more information, visit www.RotaryHomeTeam.com!

This Week's Highlights

This has been a banner week for our Rotary Club ! Enjoy some of the pictures from our week! A big thank you to EVERYONE that helped make these events successful!

We are setting up for the Golf Tournament Dinner – and I'd like to announce.....we are in the black!

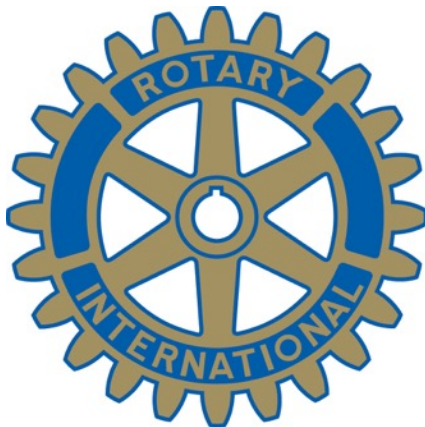

We are setting up for the Golf Tournament – and I'd like to announce.....this is REALLY early!

We are at the Peddler's Fair – and I'd like to announce.....it is REALLY crowded, but the beer is great!!
